

Missing word game

See if you can put the missing words in the right spaces...

If the Hull City team bus has not enough FUEL, it will not be able to finish its journey. In the same way, if a football player does not eat enough _____, they will not have enough _____ to _____ or _____ a full game of football.

If the bus has the wrong fuel in it, it will not work as well.

The same as if a football player _____ the _____ of food, they will not _____ to the best of their ability.

If a football player eats the right _____ and the _____ type of food, they will be more likely to play well for the team.

The team would have a better chance of _____ if every player followed this routine.
