## 2022/23

## PREMIER LEAGUE INSPIRES

**Premier League Inspires** is a secondary school project part funded by the Premier League Charitable Fund since 2019. At the Tigers Trust, the PL Inspires project works with students that typically face barriers to them achieving their full potential, mainly low confidence and self-esteem, attendance, or social skills.

Activities are delivered at school sites by our staff focused at developing students' personal skills and supporting them to become more aware of next steps in education and the working world. Activity specific opportunities also provide the chance for students to engage with external visits, collapsed curriculum days, sports activities, gain qualifications and work towards a variety of incentives.

# SCHOOL TESTIMONIALS...

We chose to work with the Tigers Trust building on the impact that the previous Enterprise programme had with our students.

There will always be students at our school with needs that align to the Tigers Trust programmes particularly low confidence/self esteem and Pupil Premium students.

The Inspires programme has been great as it has allowed us to make a bespoke set of activities for each year group engaged.

**Mr C. Derbyshire – Holderness Academy**

The Inspiration Event was great!

The students were really engaged and enjoyed the sessions. To see Alfie as engaged as he was particularly with the session by Adam was just brilliant.

**Mrs J. Watson – Sirius Academy West**

The inspires sessions have helped me relieve stress.

I appreciate getting the opportunity to be part of PL Inspires as I have learnt a lot about me as a person.

**Katie – Cottingham High School**

I enjoyed PL Inspires the most when we got to create, plan and deliver our own activity to the rest of the group, I liked being a leader.

**Holly – Holderness Academy**

The day inspired me so much that when I'm older I want to open my own shop selling my own artwork.

**Katie – Hessle High School**
