PRIMARY SCHOOL PARTNERSHIP PACKAGES

HEALTHY AND HAPPY LIFESTYLES

The Tigers Trust is working in partnership with Primary Schools across Hull & East Riding to achieve physical, social and emotional wellbeing outcomes.

The value of sport and an active lifestyle cannot be underestimated. It impacts on the development of children and in many cases their lives.

HOW WE ENGAGE ALL PUPILS IN REGULAR PHYSICAL ACTIVITY

The Trust uses the power of Hull City Football Club through the delivery of engaging PE, Active Maths, Reading and PSHE to develop the skills of all pupils and support them to achieve their personal best.

We work alongside the class teacher in PE lesson, supporting them to increase their confidence and knowledge, allowing us to leave a legacy in school. This improves the standards of PE in school for a prolonged period.

There are opportunities to participate in competitions, festivals, holiday courses and other events whilst having the chance to attend Hull City matches using the power of the professional football club to inspire pupils.

OUR VISION AND MISSION

WE DARE TO INSPIRE, ENGAGE AND IMPROVE OUR COMMUNITIES, THROUGH SPORT, ACTIVE PARTICIPATION AND EDUCATION.
